## **DUNCAN STREET PRIMARY CARE CENTRE** PATIENT SURVEY 2015/16

## What the practice does best

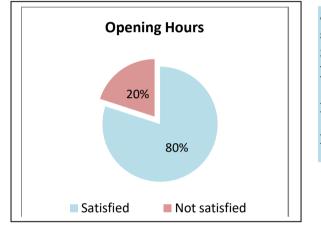

68% of patients usually wait 15mins or less after their appointment time to be seen.

Local (CCG) average: 64%

National average: 65%

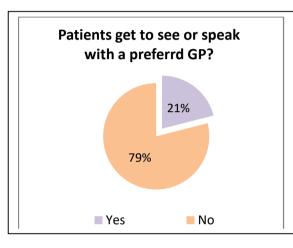

## What the Practice could improve-You said, we did

A A A

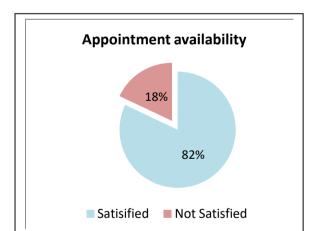

80% of patients are satisfied with the Surgery opening hours.

- Local (CCG) average: 77%
- National average: 76%

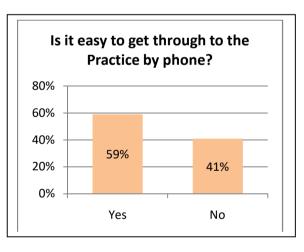

We have reviewed the advanced booking system for GP's and will offer patients the opportunity to book with their preferred GP if possible.

82% of patients were able to get an appointment or speak with someone the last time they tried.

Local (CCG) average: 80%

National average: 85%

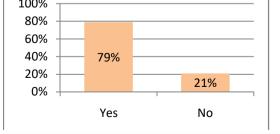

We now have all members of our Administration and **Reception staff** answering the telephone during busy periods.

Patients thought the last GP they saw/ spoke to was good at listening to them?

Our GP's have attended communication skills training.

- 93% of patients stated the last appointment they got was convenient.
- 92% of patients stated that the last Nurse they saw was good at treating them with care and concern.
- 80% of patients stated that they found the Receptionists helpful
- 89% of patients stated they had confidence and trust in the last GP that they saw.

Thank you for taking the time to participate in our survey and give us your feedback
